

Coordinate Graphing

SWIMMING TRUNK

Include 1st Quadrant and 4 Quadrants

Math is fun! Graphing is fun!

Name: _____

#CoordinateGraphing

Coordinate Graphing - First Quadrant

The image shows a coordinate grid with the x-axis labeled from 0 to 35 and the y-axis labeled from 0 to 35. A line drawing of a pair of pants is plotted on the grid. The pants are oriented diagonally. A large red letter 'L' is overlaid on the left leg of the pants, and a large red letter 'E' is overlaid on the right leg of the pants. The pants have a waistband with a belt and a pocket on the right leg.

Name: _____

Coordinate Graphing - Four Quadrants

© 2014 by The Math Learning Center

A coordinate grid with x and y axes ranging from -10 to 10. A pair of green shorts is drawn on the grid, centered around the origin. A large red 'SALE' banner is overlaid diagonally across the grid.

Name: _____

Coordinate Graphing - Four Quadrants

quadrantworksheets

The image shows a coordinate grid with x and y axes ranging from -20 to 20. A line drawing of a pair of pants is overlaid on the grid. A large red 'SAMPLE' watermark is diagonally across the image.

Coordinate Plane – 4 Quadrants: Swimming Trunk

Directions: Use the coordinates (ordered pairs) on the list to graph a Swimming Trunk picture for Summer. Plot each point, and then connect it to the next point. Color it.
