Coordinate Graphing - First Quadrant

Coordinate Graphing - Four Quadrants

Coordinate Plane – 1st Quadrant: Squirrel
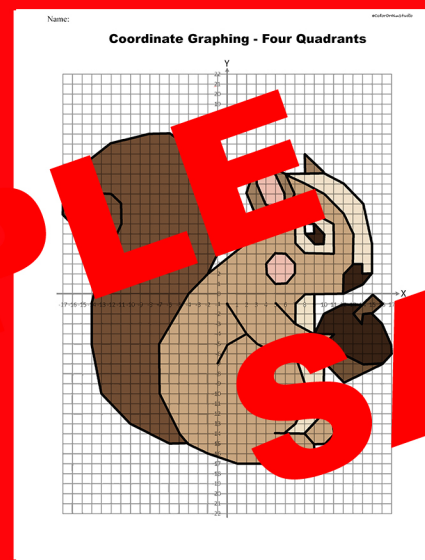

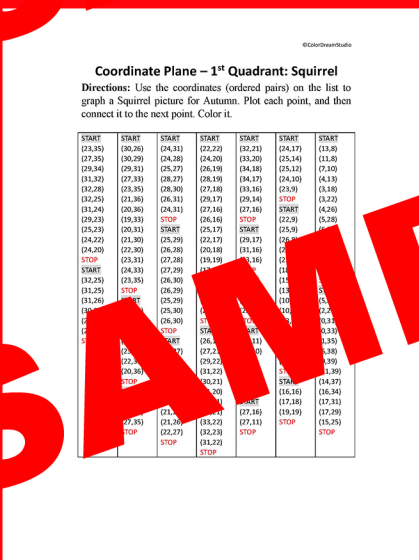

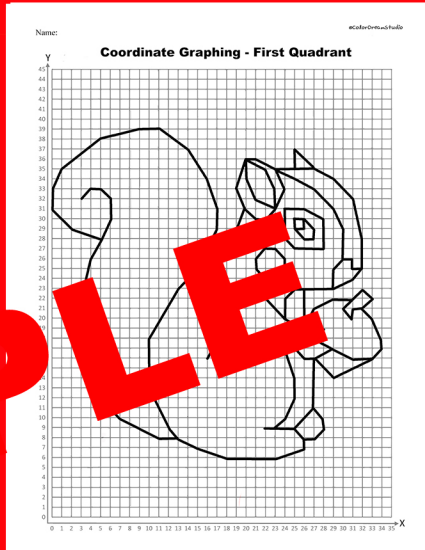

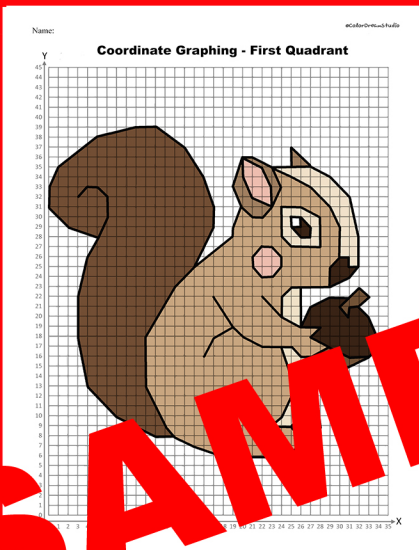

Directions: Use the coordinates (ordered pairs) on the list to graph a Squirrel picture for Autumn. Plot each point, and then connect it to the next point. Color it.

Coordinate Plane – 4 Quadrants: Squirrel

Directions: Use the coordinates (ordered pairs) on the list to graph a Fox picture for Autumn. Plot each point, and then connect it to the next point. Color it.
